

BAR LINA

functions & events

Bar Lina is a neighbourhood wine bar with a nod to Portugal and Northern Spain.

The menu moves from snacks and small plates to more substantial dishes, focusing on simple, produce-driven food designed to be shared across the table.

The wine list stays close to Spain and Portugal, mixing classics and lo-fi wines, backed by a short cocktail list.

The space is intimate with high energy and a listening bar feel... vinyl playing, lights low, and a room that naturally lends itself to groups, celebrations and long, easy nights.

Bar Lina is well suited to both seated and standing events, offering a flexible format that can be tailored to the occasion.
